PRODUCT MANAGER
Debt relation management system.

Kotomatsu
DESIGNER
Mysterious feline creature.

Archiviation
DEVELOPER
Publish text files online over GitHub Pages but only visitors with certain share links can decrypt the contents.

See GitHub for more projects.

SPECIALIZATION

I especially like working on productivity tools. The famous verse "we make tools for these kind of people" still inspires me in this field.

LIFESTYLE

I work with Gentoo, LaTeX, VS Code, and other tools. With UX and frontend background, I love graphic design and typography.

EPILOGUE

Follow my artwork drafts channel on Telegram at @neruthesartworkdrafts.
